DOCKETED
FEB 14 2013

Jan 26, 2013

Commissioner Gary Pierce
1200 W. Washington - 2nd Floor
Phoenix, AZ 85007

Honorable Commissioner Pierce,

Tucson Electric has asked to raise the average residential electric bill more than \$127 a year.

Many Arizonans, especially those who are older, are on fixed incomes and cannot afford a 15% increase. Many expenses are going up including food, insurance, medical care.

Tucson Electric is asking for too much!

The Arizona State Government's Residential Utility Consumer Office staff recommends a much lower increase of only 5.5%.

Tucson Electric is now trying to negotiate a settlement to get their full 15.27% increase.

I'm respectfully requesting that you, as an elected utility regulator, please do what you can to oppose raising the average residential electric bill \$127 a year.

I look forward to your action. Thank you.

Sincerely,

Mr. Frank Taylor
